### **Especially recommended for**

#### **Description**

The apartment estate will be located on a quiet hill above Albena and Kranevo, with great views on the forests. The air here is crystal clean. A combination of health and many local attractions makes the area perfect for eco-tourism development. Moreover, the Kranevo resort has clean beaches with a gentle slope of sea bottom and great mineral water.

The apartments will be located just below the newly built Golf Academy. The sandy beaches in Kranevo are just 3 km away. Albena is 5 km away and the Varna airport is just 20 km away.

The project consists of 4 buildings with 155 stylish apartments. The project will be completed in June, 2009.

It is an excellent project, which can be used as an accommodation, summer house or capital investment.

#### **Attractions**

All attractions of the Kranevo town are at hand. We recommend all the water beach attractions, restaurants and night clubs. There are many music clubs, bars and restaurants with folk performances and live music. Fresh fish, fruit and vegetables are available for very low prices. We recommend sightseeing. There are convenient bus connections to Varna, Golden Sands and Albena.
