Description

It is a luxurious real estate consisting of 6 buildings with 500 apartments, and a five-star hotel (Hilton hotel chain). The facilities are available to both the apartment owners and the guests. There are 105 studio apartments, 361 two-room apartments, 31 three-room apartments, 3 four-room apartments, hotel parking lot with 168 car park places, and 2 bottom floors meant for luxurious shops.

The complex is a unique combination of modern architecture and mystical elements of traditional Mediterranean art.

It is here where you will find the largest garden in Sunny Beach (more than 9000 m2.) This place is called the paradise - there are plenty exotic flower and trees. It is a perfect place for spending summer holidays and a great investment - the predicted price growth in the first year after purchase - at 25% to 36% and a guaranteed rental profit - 10% within two years.

A couple of apartments have separate gardens; the terraces in the 1st and 2nd floor apartments are a bonus. The buildings have the highest standard of construction and furnishing: the most modern central heating system, high standard air conditioning system, German UPVC windows, external doors with burglar locks. Each apartment has cable television, internet and alarm-security systems.

The way to the complex is easy. You can take a taxi from the airport in Bourgas - 30 leva (60 PLN). You can also rent a car - from euro13 per day. The airport in Burgas is about 35 km away, the airport in Varna - 95 km.

Attractions

The complex is located in the very center of Sunny Beach, near the main promenade. All attractions of the city are at hand and there are all sorts of trips available. The facilities of the complex include:
