Description

The Holiday Fort Golf Club is located outside the main center of Sunny Beach. It is perfect for those who want to escape the city life. The center is however very close. The complex will be built near two other estates built by the same developer, near a golf field. The apartment owners will become the members of the golf club and will have an opportunity to play golf on a special golf course with 15 holes, all year round.

The construction of the golf field has just begun. A golf field and a golf club will be built here. The golf club will be located in front of a twin estate called the Holiday Golf Club, 150 m away from the above mentioned real estates.

The local mild climate makes it possible to play golf all year round. The foreign investors plan to build 18 golf fields here in the future. Golfers can play on an 18-hole golf field in Silven or Varna.

The first part of the complex will consist of seven parts: -A2, B1-2, C1-C2, E1, F13 i F2, and will have 195 apartments - 70 studio apartments, 103 two-room apartments, 22 three-room flats. The prices are the lowest in Sunny Beach.

Attractions

All imaginable attractions such as Aqua Parks with wild and lazy rivers, water playgrounds for children, castles, slides, bars, restaurants. All sorts of sport activities can be gone in for: surfing, water skiing, parachute flights after a motorboat, sailing, kayaks, scooters, motorboats, beach volleyball, golf, and horse riding. There are many great places for children - lots of different playgrounds, games, slides, springboards, sports schools. A special meeting in the Bulgarian village with dances, singing and local delicacies is an absolute must. A jeep ride in the natural reserve can be organized. We recommend the night life here. It begins after 10 pm - it is the time of night clubs' opening, for literally everybody. It is worth checking out - it's great fun. Moreover, you can yacht here, have a picnic, go on wine tasting trips, and many more.
