Description

Garden of Eden is an apartment beach village beautifully situated just outside St Vlas, about 7 km from Sunny Beach Bulgaria, on a south-facing shoreline. It is about 20 minutes' drive from Bourgas airport.

A small hotel and around 550 properties are being built in a Thracian style, with its red tiled roofs and deep eaves. Utilising both local wood and stone, Garden of Eden marries modern design with the beauty of traditional building. The 'garden' concept is being realised with extensive planting and landscaping.

Six outdoor pools, a seventh Roman-style pool, and an indoor pool are being provided, with a cascading stream through the village.

On-site facilities include shops, banking, tennis court, fitness centre, saunas and beauty salon - and of course a number of bars and restaurants (including a fish restaurant built out over the sea).

Attractions

The location of the apartment building in Sveti Vlas guarantees peace and intercourse with nature, and all the attractions of tourist day and night life. The building is located on a hill slope but the center of Sunny Beach is just a couple of kilometers away. There are aqua parks, music clubs, bars, restaurants offering folk performances and live music, indoor and beach discos, casinos etc. Do you want to ride quads in the wilderness or horse ride in the mountains, or perhaps dive in search of sunken shipwrecks? This place offers it all. Those who love history and culture will not be disappointed - the ancient city of Nessebar is on the other side of the bay. Or perhaps you want to go to Istanbul? It is not a problem - the hydrofoil boat will take you there. There are many attractions and nobody will be disappointed. A small holiday train will take you just about everywhere.
