Description

A beautiful apartment building is being built on the slope of Stara Planina, near the Black Sea. The complex is located on a slightly sloping area of the Balkan foreland - the views are breathtaking. The construction is on the one side of the bay, and the old Nessebar peninsula is on the other. You can just sit and admire, and breathe the fresh mountain air. The air currents between the mountains and the sea create a unique climatic phenomenon - the air is crystal clean and pollen free. It is the only place in the country where asthma and other respiratory diseases are treated. The apartment building is built in Sveti Vlas - one of the most popular Bulgarian resorts. The complex is 45 km north of Bourgas. There is a marina nearby. The location of this real estate means relaxation, breakaway from city noise and unforgettable views. The center of Sunny Beach is just 5 km away. St Vlas, Elenite, Sunny Beach, Nessebar and Ravda are one agglomeration, one city organism, and that is why everything is available at hand.

There are 123 apartments [22 studios, 72 two-room apartments, 29 three-room apartments] in two blocks of flats. The majority of the apartments view the sea, mountains or the swimming pool. The sea is about 100 m away; the airport in Bourgas is 32 km away. The prices per square meter begin from 900 EUR. All owners have access to a parking lot [with security], 3 swimming pools for children and adults with bridges and a waterfall, lobby bar, restaurant, internet cafe, garden, playground for children, shops, reception and year-round security services. The apartments are in turn-key condition. The furnishing is available as the developer's option or BCI Menada services. The offer is tempting.

Attractions

The location of the apartment building in Sveti Vlas guarantees peace and intercourse with nature, and all the attractions of tourist day and night life. The building is located on a hill slope but the center of Sunny Beach is just a couple of kilometers away. There are aqua parks, music clubs, bars, restaurants offering folk performances and live music, indoor and beach discos, casinos etc. Do you want to ride quads in the wilderness or horse ride in the mountains, or perhaps dive in search of sunken shipwrecks? This place offers it all. Those who love history and culture will not be disappointed - the ancient city of Nessebar is on the other side of the bay. Or perhaps you want to go to Istanbul? It is not a problem - the hydrofoil boat will take you there. There are many attractions and nobody will be disappointed. A small holiday train will take you just about everywhere.
