### **Attractions**

Albena offers high standard hotels with a choo-choo holiday train for tourist traveling between them. A 7km long and 150m wide sandy beach is a holiday dream come true. Albena has a Blue Flag badge - it is awarded to ecologically clean areas. Soft descent to the sea, shallow shore, sandy sea bottom and complexes of hotel swimming pools and playgrounds make Albena a place perfect for families with children.

Albena also offers a number of attractions - the famous casino with variety shows, night clubs and discos, exclusive horse riding center. Albena is highly valued by those who enjoy active recreation and sports. A yearly car rally, children's song festival, international beach volleyball competitions, tennis and boxing matches, and regattas take place here. In 2002, international aerobatics championships took place in Albena. The tourists take long walks in the town after a hot, sunny day, and the restaurants, pubs and taverns invite to taste the local dishes and wine. You can also visit the cabaret.
