A few words about the complex:

The seaside Marina Cape Complex is located only 5 km from the biggest holiday resort in Bulgaria, Sunny Beach. Spreads on the territory is 40 thousand m². It has a commercial zone, recreational and residential. The complex could offer you: two swimming pools, pool chairs, and umbrellas. The property is fenced and guarded, it has a parking space. Marina Cape Complex is located on the first sea line and according to the Bulgarian laws there is no possibility another resort to be built in front of it and to block its beautiful view. Marina Cape is a facility built on the peninsula in the center of the Aheloy beach. The peninsula is divided into a small cape, behind which there is a bay for yachts and fishing boats. There for a fee you can rent a motorboat. The complex consists of four main parts: Marina Bay, Tower, Lighthouse.

The complex has a 24/7 security and it's watched by patrolling guards. Access to Marina Cape is limited, and only owners and guests can enter.

Marina Cape is ideal for families with children who prefer to spend their free time at the pools with access to restaurants, fitness, spa or sports. The hotel has a main pool, from which you can enjoy while soaking spreading sea views and separate area for children. The pool features has a buffet (bar from which you can make a request being in the pool and beyond). Not far from the swimming pool there are also two restaurants that serve traditional meals Bulgarian and European cuisine. You can also buy here on the site full board (breakfast, lunch, dinner). In addition to the main pool is a second, equally large pool with a water slide for children. Marina also has a swimming pool besides other attractions for children. The resort has a games room with table tennis, darts, table football, pool balls and a playground. At a closed playground children can remain in the care of animators who care about the safety of our children. For teens and adults, in addition to swimming pools and attractive bars, fitness club, squash courts, bike rental, bowling alley, a wellness center SPA & Wellness full-service. In the complex it is also Hour medical care with the possibility of visiting you in the apartment, shops.

Marina also has extensive business facilities. There's a conference center with a main hall for 350 persons and several rooms for 50-150 people. There you can organize conferences, workshops, team building. There is also a modern equipment to conduct training.

The uniqueness of this place is due to the presence of the yacht marina. The local yacht club rents boats, organize trips for fishing and amateur thrill offers boats and scooters. In the near distance, just 5km away is one of the largest water parks www.aquaparadise-bg.com - an additional unforgettable attraction for children - you ask our representatives for tickets - with us a little bit cheaper than the same hand aquapark!

Purchase this apartment is an investment for the whole family!

Attractions

The village of Aheloy is situated in an area of great variety of natural landscapes and resources and diversity of architecture, traditions, farming, ethnography, folklore and cultural monuments. There are numerous churches, monasteries, architectural

reserves, preserved folklore, cultural traditions, crafts and original customs. Mineral springs and rare plant species can be found in the surrounding area. Almost all inhabited areas in the region are of century-old history as there are many architectural discoveries evidencing the glory of that part of Coastal Thrace dating back to the Middle Ages. All these resources provide a wide range of opportunities to pursue cultural, ecological and medical interests in a well-preserved natural environment.

The geographical position, climate, soil fertility, water resources, forests, game and other natural resources make the region of the Municipality of Pomorie an excellent blend of Eastern Balkan foothills and mountain ranges, the warmth of the South Black Sea Coastline and the spacious hilly valley of Tundja contribute to its uniqueness. On the territory of the municipality the dam-lakes Acheloi and Pomorie as well as many other small water basins can be found. Hadjiiska River, Aheloy River and many small rivers flow through the area. As a result of the said premises there are diverse flora and fauna species, well-preserved wild habitats and game populations of impressive beauty and vigour.

The diversity of various sea fish species and game provide an excellent basis for the development of hunting tourism combining a unique experience and the preserved natural environment of the area. The nearby Lake of Pomorie is a unique habitat of various bird species.
