Description

The complex is located near Sunny Beach, on a hill, in the picturesque area of the Stara Planina Mountains, with beautiful views on the sea.

The villas and apartments are built in characteristic Old Bulgarian style with a little bit of modernity; there are green lanes and water decorations in the housing estate. Each house has a green garden with flowers and trees. The owners will enjoy the space in the interiors. They also have a private patio, garden, BBQ and air conditioning.

This villa-apartment family estate is of highest standard - it is meant for the most demanding investors and is an interesting alternative to other real estates available on the market.

The beautiful location on a hill with splendid views on the Black Sea makes this estate a place perfect for those who appreciate peace and quiet. This exclusive real estate is surrounded by trees, and all residents have a free access to mini golf courses. Moreover, this complex has very convenient connections with Sunny Beach, Golden Sands and the airport (20 minutes).

The developer keeps an eye on the highest quality of interior design - as the interiors in Hotel Forum. The purchaser has a possibility of choosing the furnishing of his villa or apartment.
