Price per m2 from:	650 euro
Furniture:	included in the price

Especially recommended for

Description

A beautiful private apartment building called Aqua Dreams was built on the Stara Planina slope, near the Black Sea. The complex was built on a slightly sloping area of the Balkan foreland thus the views are breathtaking. The construction is on the one side of the bay, and the old Nessebar peninsula is on the other. You can just sit and admire, and breathe the fresh mountain air. The air currents between the mountains and the sea create a unique climatic phenomenon - the air is crystal clean and pollen free. It is the only place in the country where asthma and other respiratory diseases are treated. The apartment building is located in Sveti Vlas, one of the most popular places in Bulgaria thanks to its unique climate. The complex is 45 km north of Bourgas. There is a marina with everything a sailor needs. The location of this estate guarantees relaxation, escape from tumult and unforgettable views. At the same time, the center of Sunny Beach is just 5 km away. Sveti Vlas, Elenite, Sunny Beach, Nessebar and Ravda are an agglomeration - everything is close and at hand.

There are three elegant buildings with 320 air conditioned apartments. Most of the apartments will have views on the sea, mountains or the swimming pool. The sea is about 300 m away, the airport in Bourgas - 32 km away. The prices per m2 start from 900 EUR.

All apartment owners have access to two swimming pools for children and adults, Spa center, lobby bar, water bar, restaurant, playground room for children, internet room, shops, laundry, 24 h security, garden and guarded parking lot. The turn-key apartments can be furnished directly at the developer's or BCI Menada, as an option. There are only a few apartments on sale left. The construction will be completed at the end of June, 2008.

Attractions

The location of the apartment building in Sveti Vlas guarantees peace and intercourse with nature, and all the attractions of tourist day and night life. The building is located on a hill slope but the center of Sunny Beach is just a couple of kilometers away. There are aqua parks, music clubs, bars, restaurants offering folk performances and live music, indoor and beach discos, casinos etc. Do you want to ride quads in the wilderness or horse ride in the mountains, or perhaps dive in search of sunken shipwrecks? This place offers it all. Those who love history and culture will not be disappointed - the ancient city of Nessebar is on the other side of the bay. Or perhaps you want to go to Istanbul? It is not a problem - the hydrofoil boat will take you there. There are many attractions and nobody will be disappointed. A small holiday train will take you just about everywhere.

Tourist Attractions

Features
