Atrakcje

Marina Cape, Aheloy is located 15 minutes from Bourgas International Airport. It is a building built on the peninsula in the center of Aheloy beach. The bay is divided by a small cape, behind which there is a port for yachts and fishing boats. The complex is built on an area of 40,000 m2 and consists of four main parts: Marina, Bay, Tower, Lighthouse. The complex has many sporting activities, including 2 swimming pools, fitness, wellness center, Spa, 2 squash courts; bowling, 4 restaurants, several bars and cafes. A small dot on the map, on the Black Sea coast, is today Aheloy city, which is also close but also far away. Close because at the seaside, close to nature, silence and peace, rooted in ancient history. Despite its location on the road between the largest centers on the Black Sea Coast,

Aheloy is located far from the urbanized and crowded Center, which is rather noisy and there are many tourists.

Unlike the nearby resorts, Aheloy remained untouched by the invasion of huge, crowded hotel complexes, large and noisy restaurants.

Aheloy has kept its naturalness and peace. Residents are very warm and hospitable people. There are no great buildings here, but there is peace and a sense of comfort.
